

kitty dreams

bri crick

do you dream of being useful?

entertaining
inspiring
adored
good

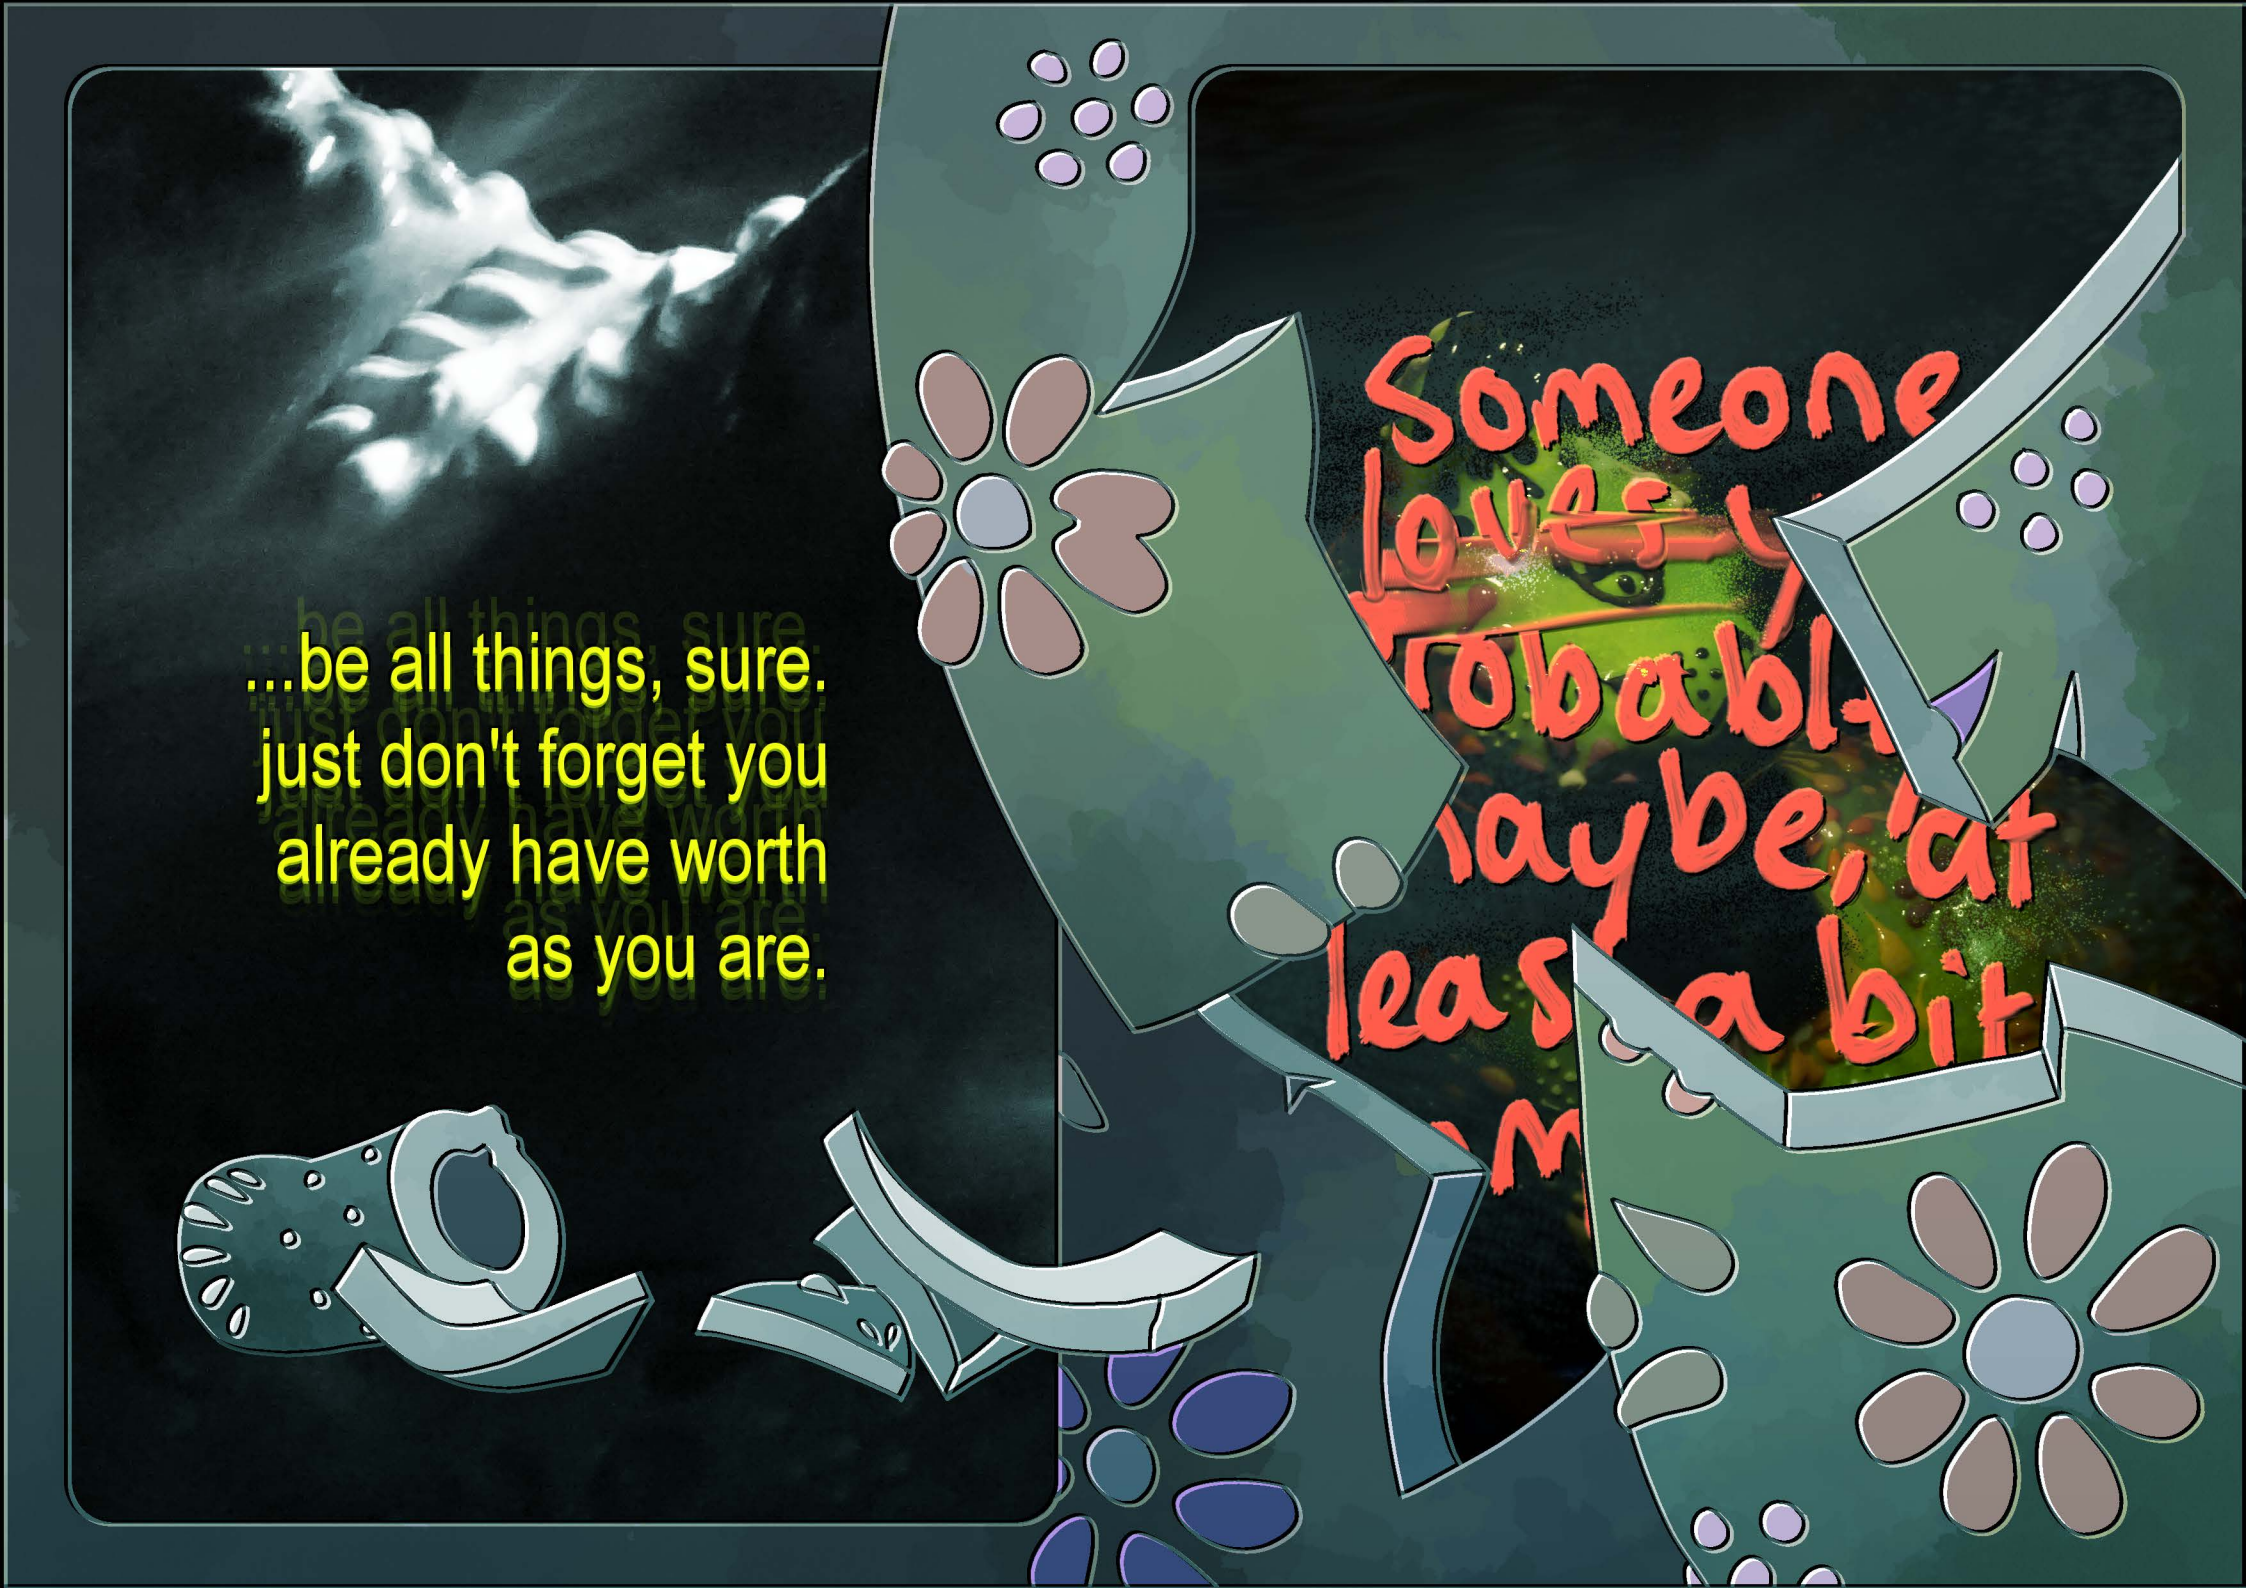

seen
known
stunning
a fucking star

and have you
thought about
monetizing it?

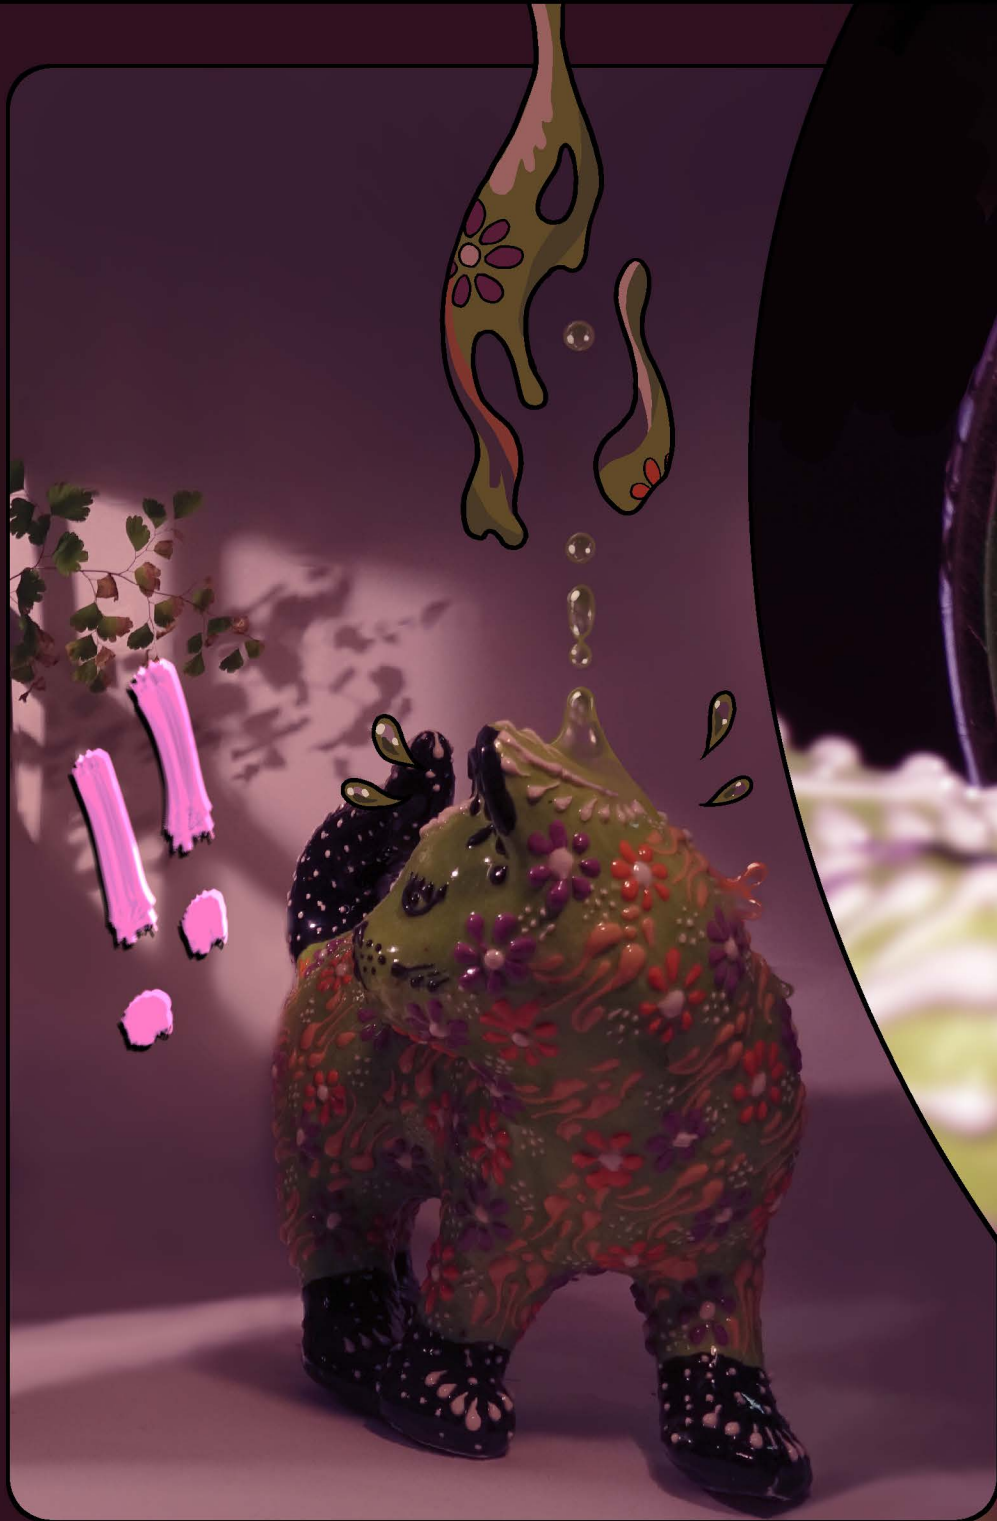

perfect,
at last ♡

oh, so that's it...

...be all things, sure.
just don't forget you
already have worth
as you are.

Someone
loves u
probably
maybe, 'at
least a bit

there you are!

good morning!
